SUMMARY

Detail-oriented **Computer Science** graduate with hands-on QA internship experience in **manual and automated testing**. Proficient in creating test cases, tracking defects via Jira, and developing automation scripts using **Robot Framework** and **Selenium**. Experienced in **Agile/Scrum** environments and **API testing**, and eager to leverage these skills to drive product quality as a **Software Tester**.

TECHNICAL SKILLS

- **Testing Automation & Tools:** Robot Framework, Selenium, Postman, Swagger, Bruno, Proxyman
- **Defect Tracking & Tools:** Jira, Excel, Microsoft Office
- **Programming Languages:** Python, Java, C/C++, HTML, CSS
- **Version Control & Platforms:** Git, GitHub, LDPlayer9 (Android Emulator)
- **Languages:** Thai (Native), English (Conversational), Chinese (Beginner)

WORK EXPERIENCE

Manao Software Co., Ltd.

Apr 2024 - Sep 2024

Cooperative Internship / Quality Analyst (QA)

- **Test Automation & Execution:** Developed and maintained automated test scripts using **Robot Framework** to validate system stability and improve regression testing efficiency.
- **Manual Testing & Documentation:** Formulated comprehensive test cases, test scenarios, and checklists based on product requirements to ensure thorough feature coverage.
- **Defect Management:** Identified, documented, and tracked software bugs using **Jira**, collaborating closely with cross-functional development teams to ensure timely resolution.
- **Agile Collaboration:** Actively participated in **Scrum** ceremonies (Daily Stand-ups, Sprint Planning, Retrospectives) to align on software quality standards and delivery timelines.

PROJECTS

Cs-Docs / Testing Manager

Jul 2023 - Oct 2023

- Performed manual and automated testing using **Selenium** on a dynamic web application for document storage and reference number generation.

EDUCATION

Bachelor of Science in Computer Science

2021 – 2025

Chiang Mai University

- **Relevant Coursework:** Software Engineering, Algorithm Design and Analysis, Modern Application Development, Data Structures, Database Systems.

SOFT SKILLS

- Teamwork and Collaboration
- Effective Communication
- Problem Solving
- Attention to Detail

EVENTS/EXHIBITION

Chiang Mai Design Week2023

Dec 2023

Stargazer Staff/Organization Staff

- Managed queue in CS playground and Staff of VR Stargazer.
